Equipment Description:

For agreement with:

With regard to the above, we write to confirm the following:-

- We are in possession of all the equipment detailed above and on the agreement
- **The equipment is in full working order and is entirely to our satisfaction and we authorise you to pay the supplier any outstanding sums and to start the agreement. We accept the equipment for the full period of the rental and acknowledge that there is no trial period.**
- We understand that if the price of the equipment includes an amount to settle an existing agreement, it is entirely our responsibility to ensure that the settlement is made and **not** the responsibility of the above mentioned finance company.
- **We understand that the choice of supplier was entirely ours and that the above mentioned finance company takes no responsibility for the future performance of the equipment.**
- **For telecommunications equipment, no amount relating to call charges and/or line rentals is included in the rentals.**
